THE LANI ESTATE

Invite the outdoors in at the Lani Estate, a seaside sanctuary situated mere minutes from Mauna Lani, Auberge Resorts Collection. Step onto the expansive lanai - equipped with outdoor entertainment spaces and a private infinity pool - as the peaceful rustling of palms blends seamlessly with the whisper of ocean waves to create a euphony of sounds that embody paradise. Entertain with loved ones in the spacious kitchen and living areas, where floor-to-ceiling doors provide an idyllic portal to saturated sunsets dotted with cotton candy clouds. Much like our little slice of paradise on the Kohala Coast, the Lani Estate beams warmly with aloha and ho'okipa (hospitality).
